PAYMENT POLICY

Payment for services is due at the time of the visit, unless other prior arrangements have been made. We accept most insurance plans and file all insurance claims. We ask that patients pay for the portion of services not covered by insurance at the time of service.

If arrangements have been made for installments, you will receive a monthly financial statement in the mail. Payments are due within 15 days of the date of statement. For your convenience we accept cash, checks, and credit cards (VISA and Master Card). You may also make payment over the phone with a credit card. Please contact our financial department to discuss any special needs pertaining to your account prior to your appointment.

If you require special testing, procedures, or surgery, our personnel will make all arrangements, including obtaining referrals and pre-certification from your insurance company.
